

PIOPOD™ (PACK IT OUT™) MICROTRASH CONTAINER

NEW FOR
2009

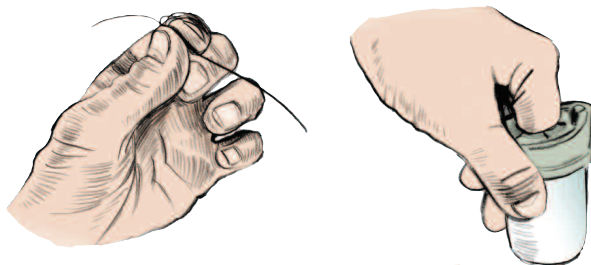

DESIGN At fishpond, we believe in the “ripple effect”—responsible stewardship of the environment, where every small act counts. So we’ve developed a revolutionary accessory to help everyone Pack It Out—to manage the microtrash generated while fishing. For responsible anglers it’s as essential as clippers and net. Patent Pending.

FEATURES

- Rugged, durable, recyclable construction with unique elastomeric cap readily accepts paper and plastic wrappers, drowned cigarette butts, etc.
- Specially designed to facilitate containment of waste monofilament line and tippet, which can endure in the wild for hundreds of years
- Dual attachment provisions – can be clipped to a fabric loop or belt, or attached to a D-ring or fishing lanyard

DIMENSIONS 3.2” x 1.9” dia.
