HIGH COUNTRY TECH PACK

NEW COLOR FOR 2009

NEW FABRIC FOR 2009

DESIGN fishpond continues to break new ground in the fly fishing accessory category with the High Country Tech Pack. This versatile carry system combines a large, full-featured fishing chestpack with a compact backpack. The two components can be worn together or separately, so you decide how much gear to carry.

CHESTPACK FEATURES

- Chestpack is the Windwalker
- Low profile design with expandable main pocket
- Lightweight, waterproof and breathable fabric
- Modular chestpack "docks" with compact backpack
- Two main storage compartments
- Three interior organization pockets
- Signature, zip down fly bench with replaceable foam, patented molded pocket design
- Two padded neck straps permit use as stand-alone chestpack or sling bag
- Padded air mesh back with accent pods for all-day comfort
- Chestpack doubles as a travel bag for passport, tickets, wallet, glasses, etc. Simply click bottom hardware together and use shoulder strap in sling bag style
- Chestpack holds 35 oz. fishpond Waterlog Hydration Reservoir (Optional)

BACKPACK FEATURES

- Lightweight, waterproof and breathable fabric
