

WATERDANCE GUIDE PACK

DESIGN Probably more professional guides use this pack than any other on the market. Considered the “ultimate” lumbar pack with its two zippered main compartments and signature “zip-down” fly bench, the Waterdance accommodates extra gear and accessories for long days on the water.

FEATURES

- Can be worn as a chest or lumbar pack
- Two generously sized main compartments
- Signature, zip down fly bench with replaceable foam
- Adjustable compression strap system
- fishpond Jacquard accent webbing and climbing cord loops for attaching tools and accessories
- Interior pockets for extra gear storage
- Padded, breathable air mesh backing
- Two mesh water bottle holders (Bottles not included)
