LAUREL RUN MOLDED FLY BOX

DESIGN We broke the mold. In designing the Laurel Run, we challenged the notion that fly boxes must be made of plastic or metal. The Laurel Run was designed to work as part of a system with our chest/lumbar packs.

FEATURES

- Crush-resistant, molded construction
- Zippered case
- Colorful fishpond Jacquard accent webbing doubles as hand strap
- Climbing cord loop for lanyard
- High-density foam for easy identification of flies
- Floats

DIMENSIONS 3" x 5"
4" x 6"

ITEM # - COLOR LRMFB-35-K (3-Pack, Khaki)
