

WASATCH TECH PACK

NEW COLOR FOR 2009

DESIGN For longer days on the water or for those who need to carry lots of gear, the Wasatch combines a vest-style front with a versatile backpack and hydration Reservoir pocket. This product revolutionized the vest category with its adjustable “one-size-fits-most” suspension system. The Wasatch blurs the line between a traditional fishing vest and a technical pack. The result is an entirely new product category from fishpond that combines the best features of both.

FEATURES

- Integrated, expandable backpack breaks new ground in vest design
- “One-size-fits-most” adjustable shoulder and waist strap design
- Padded, contoured shoulder straps for load-carrying control and comfort
- Eight large front pockets:
 - Two signature, zip down fly bench with replaceable foam, patented molded pocket design
 - Two water resistant pockets with taped seams and splash-proof YKK zippers
 - Four large interior mesh pockets
- Three backpack compartments
- Expandable main cargo compartment
- Gear attachment tabs, cord loops, and D-ring net lash
- Hemostat keeper
- Lightweight, waterproof and breathable fabric
- Built-in rod tube holder with compression straps
